## SENIOR FIRE OFFICER FORUM EIGHT ATTITUDES OF SERVANT LEADERSHIP

*Presented By: Chief Douglas Cline, Horry County Fire Recue*

Leadership begins with serving. No role, position, job, task or calling of leadership in Emergency Services can be effective unless there is first a willingness to serve by the individual. Many want successful positions, ranks and roles in leadership, but not everyone wants to serve. Proper serving in leadership begins with a proper attitude. In this dynamic program Chief Douglas Cline will explore the 8 Attitudes of Servant Leadership as related to the fire service in an effort to focus the leadership efforts of officers in the right direction for high-performance leadership.

Features of this presentation Include:

- An understanding of the direct impact and positive change that can occur by simply adjusting one's attitude
- A set of principles to strive for that will have a lasting positive impact on your organization
- A deeper understanding of how a negative attitude can erode an organization's effectiveness
